Correction to: *Nature Genetics* <https://doi.org/10.1038/s41588-018-0251-4>, published online 29 October 2018.

In the version of this article originally published, the main-text sentence “In three patients of European ancestry, we identified the germline variant encoding p.Ile97Met in TIM-3, which was homozygous in two (P12 and P13) and heterozygous in one (P15) in the germline but with no TIM-3 plasma membrane expression in the tumor” misstated the identifiers of the two homozygous individuals, which should have been P13 and P14. The error has been corrected in the HTML, PDF and print versions of the paper.

Publisher Correction: Cancer genetics, precision prevention and a call to action

Clare Turnbull , Amit Sud  and Richard S. Houlston 

Correction to: *Nature Genetics* <https://doi.org/10.1038/s41588-018-0202-0>, published online 29 August 2018.

In the version of this article originally published, there was an error in the second-to-last sentence of the abstract. In this sentence, the final phrase “to identify carriers of first-wave gene mutation carriers” should have instead read “to identify carriers of first-wave gene mutation.” The error has been corrected in the HTML and PDF versions of the paper.
