In the original version of this Article apostrophe's were used in place of 'okina in Hawaiian words; one gauge name (Pāpa'ikou) was also misspelled.

In the original version of this Article a pointed upwards (--^--) symbol was used for indicating a dip rainfall value instead of a downwards (--^--) symbol.

In the original version of this Article reference 27 was missing “*et al*” in the author list.

These have been corrected in both the PDF and HTML versions of the Article.
