The order of the tables on the in original version was incorrect, with tables published in the wrong positions and associated with the wrong captions. This has now been corrected as follows

The original Table 1 has been moved to the Table 4 caption

The original Table 2 has been moved to the Table 5 caption

The original Table 3 has been moved to the Table 6 caption

The original Table 4 has been moved to the Table 7 caption

The original Table 5 has been moved to the Table 1 caption

The original Table 6 has been moved to the Table 2 caption

The original Table 7 has been moved to the Table 3 caption

The Table 3 caption was also truncated, and has now been replaced with the full version “Cross-tabulation of land use (lu) and year built (by) completeness; “n” indicates missingness, e.g., nby = “no built year”.

These errors have been corrected in the HTML and PDF versions of the paper.
