Publisher Correction: Direct reprogramming of fibroblasts into skeletal muscle progenitor cells by transcription factors enriched in undifferentiated subpopulation of satellite cells

Naoki Ito^{1,2}, Isao Kii³, Noriaki Shimizu⁴, Hirotohi Tanaka^{2,4} & Shin'ichi Takeda¹

Correction to: *Scientific Reports* <https://doi.org/10.1038/s41598-017-08232-2>, published online 14 August 2017

The Author Correction published on 25th April 2018 contains errors.

"A correction to this article has been published and is linked from the HTML version of this paper. The error has been fixed in the paper."

should read:

"The original version of this Article contained a typographical error in the spelling of the author Shin'ichi Takeda, which was incorrectly given as Takeda Shin'ichi. This has now been corrected in the PDF and HTML versions of the Article."
