

## Publisher Correction: Streamlined hydrogen production from biomass

Ping Zhang, Yan-Jun Guo, Jianbin Chen , Yu-Rou Zhao, Jun Chang, Henrik Junge , Matthias Beller  and Yang Li 

Correction to *Nature Catalysis* <https://doi.org/10.1038/s41929-018-0062-0>, published online 30 April 2018.

In the version of this Article originally published, there were several errors in Table 1: in structure **1**, the NH group bonded to the Ir should have been a H atom; the NR<sub>2</sub> group bonded to the Ir should have been NH; in structures **2**, **4** and **5**, the OH groups bonded to the Ir atoms should have been OH<sub>2</sub> groups; in structure **6** the OH<sub>2</sub> group bonded to Ir was erroneously bonded with the below N; and in structure **10**, the N=N bond should have been N–N. In structure **12** of Fig. 4, the CH<sub>2</sub> between the two oxygen atoms should have been a CH group. Finally, the affiliations within the Supplementary Information were not consistent with those of the main text, a new Supplementary Information file has been uploaded.
