

Publisher Correction: Boost public support for food systems innovation

Lindsay M. Jaacks 

Correction to: *Nature Food* <https://doi.org/10.1038/s43016-021-00239-3>, published online 15 April 2021.

In the version of this News & Views originally published, in the key in Fig. 1 the colours for ‘Public food and agricultural R&D (total)’ and ‘Private food and agricultural R&D (total)’ were mistakenly swapped. The blue line represents total public food and agricultural R&D and the green line represents total private food and agricultural R&D. This has now been corrected.
