**CORRIGENDUM:** Emergent photovoltage on  $\text{SmB}_6$  surface upon bulk-gap evolution revealed by pump-and-probe photoemission spectroscopy

Y. Ishida, T. Otsu, T. Shimada, M. Okawa, Y. Kobayashi, F. Iga, T. Takabatake & S. Shin

The original version of this Article contained a typographical error in the spelling of the author T. Takabatake, which was incorrectly given as Y. Takabatake. This has now been corrected in both the PDF and HTML versions of the Article.
