Corrigendum: H⁺-type and OH⁻-type biological protonic semiconductors and complementary devices

Yingxin Deng, Erik Josberger, Jungho Jin, Anita Fadavi Roudsari, Brett A. Helms,
Chao Zhong, M. P. Anantram & Marco Rolandi

Scientific Reports 3:2481; doi: 10.1038/srep02481; published online 03 October 2013; updated 17 July 2015

The original version of this Article contained a typographical error in the spelling of the author Anita Fadavi Roudsari, which was incorrectly given as Anita Fadavi Rousdari. This has now been corrected in both the PDF and HTML versions of the Article, as well as the Erratum that also accompanies this Article.
