An incorrect version of Figure 5 was inadvertently included in the published version of this manuscript. The correct Figure 5 appears below as Figure 1.

The Figure legend:

“(a–c) SEM images of the silver nanoparticle microarrays from SCTR. Scale bar: 5 μm . (d–f) Optical images of the quantum dot/polymer microstructures. Scale bar: 10 μm ”.

should read:

“(a,b) Optical images of the silver/polymer microarrays before and after calcination. (c) SEM images of the silver microarrays. (d–f) Optical images of the quantum dot/polymer microstructures. Scale bar: 10 μm ”.
