

ERRATUM

A high-risk group of pregnant women with elevated levels of conflict-related trauma, intimate partner violence, symptoms of depression and other forms of mental distress in post-conflict Timor-Leste

SJ Rees, W Tol, M Mohammad, AK Tay, N Tam, N dos Reis, E da Costa, C Soares and DM Silove

Translational Psychiatry (2016) **6**, e767; doi:10.1038/tp.2016.33; published online 29 March 2016

Correction to: *Translational Psychiatry* (2016) **6**, e725; doi:10.1038/tp.2015.212; Published online 2 February 2016

Mohammad Mohsin's name appeared incorrectly in the author list of the published article, and one of his affiliations was omitted. The corrected author list and affiliations appear below:

SJ Rees¹, W Tol², M Mohsin^{1,3}, AK Tay¹, N Tam¹, N dos Reis^{1,4}, E da Costa^{1,4}, C Soares^{1,4} and DM Silove¹

¹Psychiatry Research and Teaching Unit, University of New South Wales and Academic Mental Health Unit, Mental Health Centre,

Liverpool Hospital, Sydney, NSW, Australia; ²Bloomberg School of Public Health, Johns Hopkins University, Baltimore, MD, USA; ³School of Public Health and Community Medicine, University of New South Wales, Sydney, NSW, Australia; ⁴Child and Maternal Health, Alola Women's Foundation, Dili, Timor-Leste

Additionally, in the abstract, the first reference to post-conflict was incorrect; it should have appeared only as 'low-income, post-conflict (LI-PC).'
