

MOUTHY STONES

Along the lines of 'tooth art' that I have seen on the front covers of the *BDJ* over the last few months, I saw these in a garden centre. Although perhaps not to everyone's taste, I think that they may be used as modern day scarecrows in people's gardens as they are so unpleasant! The one with the tongue reminds me of the front cover of a Rolling Stones album!

Richard M. Graham
Consultant in Oral and Maxillofacial Surgery
 Manchester

Jill Taylor

Age: 36

Town: Kilwinning,
Ayrshire

Place of work: All over the UK
and Ireland

Job title: Many! Senior Practice Liaison for SUSAN, President of ADAM, Seconded Member of BADN advising in Practice Management and Reception. Currently overseeing the transformation of Rosedene Clinic in Inverness from a beauty and therapy clinic to a dental clinic.

In dentistry: 19 years

Loves: Anything in dentistry; anything made by Apple! And my dog Sally – anybody who has heard me speak will have seen her photo...

Hates: People who whinge! Life is what you make it – if you don't like it, change what you do with it.
