Correction to: *The EMBO Journal* (2005) **24**, 742–752. doi:10.1038/sj.emboj.7600548

The authors have discovered an error in the above article.

In the Materials and methods section under the subheading ‘siRNA transfection’, the two ‘T’s’ at the end of the sequence of the ADAM10 siRNA belong to the spacer region and should therefore be deleted. The correct sequence should read 5’ GACAUUUCAACCUACGAAU 3’ (and not as it is currently stated: 5’ GACAUUUCAACCUACGAAUTT 3’).

Further, reference Lammich *et al* (1999) in the second paragraph of Discussion should be replaced by reference Hundhausen *et al* (2003).

The authors apologize for any inconvenience caused.
