

Usage statistics from Nature Publishing Group

Dear Julia MacFall,

Usage reports for your institution are now available. As registered administrator you can log-in to your administration account to access reports. Password required.

Log in: www.nature.com/libraries

An explanation of the reports can be read in your administration account. If you have any further questions please access NPG's Customer Services online or contact your local customer service team.

nature.com usage reports are COUNTER compliant. Find out more at www.projectcounter.org

Launching *SciBX: Science-Business eXchange*

[SciBX: Science-Business eXchange](http://www.scibx.com) is a new weekly publication from [Nature Publishing Group](http://www.nature.com) and [Biocentury Publications](http://www.biocentury.com), Inc. *SciBX* will distill and analyze newly published life science research, enabling subscribers to identify and evaluate new developments in science and technology that have commercial and investment potential within the biotechnology and pharmaceutical arena. A sample issue and more information are available from www.scibx.com.

***Please Note, usage statistics for Palgrave journals have been delayed due to technical problems and will be available shortly.**

**Customer Services
Nature Publishing Group**
