4th Helmholtz-Nature Medicine Diabetes Conference
September 18-20 2016 │ Munich, Germany

Organizers
Prof. Matthias Tschöp, Helmholtz Zentrum München
Prof. Heiko Lickert, Helmholtz Zentrum München
Dr. Randy Levinson, Nature Medicine

About the Conference
Our fourth, high impact conference brings again together international top leaders in the field of diabetes to facilitate the identification of, and potential solutions to, the preeminent scientific challenges facing the prevention and treatment of type 2 diabetes. The conference will feature two award presentations: the Helmholtz Diabetes Lecture, in recognition of the lifetime achievements of a senior leader in the field, and the Novo Nordisk – Helmholtz Young Investigator in Diabetes (HelDi) Award, in recognition of a rising star.

Levels of support
There is a number of several packages to which you can direct your support. The following items are meant as suggestions. Of course we are open to any individual needs and demands.

Further Opportunities

- **Insert in Congress Bags – € 800** (prices plus 19% VAT)
  - Opportunity to insert brochures into the congress bags (all materials should be delivered by the company directly. Approx. 230 pcs.)

- **Support Round Table Meetings – € 800**
  - During the round table meetings young researchers will have the opportunity to talk with the invited speakers regarding scientific questions and efforts.

- **Display Advertising Material – € 500** (prices plus 19% VAT)
  - Company brochures will be placed effectively on special tables (approx. 230 pcs.)

- **Supporting congress coffee-breaks with coffee, tea, tea biscuits/cake**
  - Support of one break or, as an exclusive option, all coffee breaks (10 expected)
  - Your company logo on an information sign
  - Outlay of your advertising material/brochures
  - Appraisal as a supporter with power point charts at the end of the session

- **Supporting the Opening Event**
  - The opening ceremony is the first official event of the Congress and as such generates a lot of interest. Delegates will be welcomed to the congress, entertained and enabled to network. Supporter who contribute to this in full or in part will receive full recognition at the opening of the evening.
3rd Helmholtz-Nature Medicine Diabetes Conference – Impressions
The 3rd Helmholtz-Nature Medicine Diabetes Conference 2015 welcomed 253 participants from 20 different nations. The international character of the conference was demonstrated by a number of 110 visitors from outside Germany. Most of them came from the United States of America, Denmark and Great Britain followed by Spain, Switzerland and France.
