

naturejobs PRESENTS A

FOCUS ON NANOTECHNOLOGY

NATURE ISSUE DATE:

23 JULY 2009

DEADLINE FOR ADVERTISERS:

| | |
|-----------|--------------|
| US | 16 JULY 2009 |
| UK/EU/ROW | 17 JULY 2009 |

RECRUIT TOP TALENT IN NANOTECHNOLOGY WITH NATUREJOBS!

Use this **Focus** to advertise your nanotechnology career opportunities, courses and events in front of readers interested in this scientific field.

- * Target more candidates online with a **Job of the Week** advertisement on a NPG journal homepage, including *Nature Nanotechnology* and the *Nature Nanotechnology* eToC alert.
- * Our online campaigns can also be geographically targeted to accommodate eligibility requirements.
- * Specially tailored campaigns across naturejobs.com and other NPG sites including *Nature Nanotechnology* can be arranged to suit your needs. Discount packages are available when bought in conjunction with print advertising.

WHAT'S NEW

Included in the NPG portfolio are a range of specialist journals, many of which are society owned and society affiliated. Use these to highly target your advertisements; there are over 30 scientific specialities to choose from.
