naturejobs PRESENTS A

HIGHLIGHT ON THE NETHERLANDS

NATURE ISSUE DATE:

19 NOVEMBER 2009

DEADLINE FOR ADVERTISERS:

13 NOVEMBER 2009

This Highlight is a dedicated section for promoting the Netherlands' advancing scientific environment. Dutch science has acquired a strong global position so this is an excellent opportunity for the R&D community, research institutes and companies within the Netherlands to gain further international exposure in *Nature*. If you are looking to recruit top-tier scientific talent for your organization and raise your profile within *Nature's* audience, you won't want to miss this issue.

Whether you are recruiting or creating awareness for your organization, this feature provides you with a unique opportunity to deliver your message to the global scientific community.

To take part in this unique opportunity, please contact your representative:
