HOWARD UNIVERSITY

The National Human Genome Center at Howard University College of Medicine thanks:

The Irving Harris Foundation and the Office of Science of the United States Department of Energy for support of the *Human Genome Variation and 'Race': State of the Science* meeting

The Office of Science of the United States Department of Energy and the National Human Genome Research Institute at the National Institutes of Health for sponsorship of this *Nature Genetics* supplement

The authors for their scholarly contributions to the meeting and to this follow-up publication

The National Center for Research Resources and the National Center on Minority Health and Health Disparities at the National Institutes of Health for their pivotal role in establishing the National Human Genome Center
