

# DECLARATION OF CONTRIBUTIONS TO ARTICLE

**Manuscript number:** ..... **Title of article:** .....

**Author(s):** .....

For all types of Nature Reviews articles in the clinical titles, each person named as an author in the published version must be able to show he or she has contributed substantially to the article.

Any person who cannot be shown to have made a substantial contribution to the article **cannot** be listed as an author in the final version. The name of any person who is deemed to have made a minor contribution can, however, appear in the Acknowledgments section of the article.

Please complete the table below to indicate the contributions of all named authors. Please provide additional information on a separate sheet if you feel someone has made a substantial contribution of a type that is not included in the table. This information will not be published in the final version of the paper.
