Supplementary information to:  
Global standards for stem–cell research (Comment in Nature 533, 311–313; 2016)

Full list of co-signatories

Members of the steering committee of the International Society for Stem Cell Research's Guidelines Task Force:

Jonathan Kimmelman McGill University, Montreal, Canada.
Insoo Hyun Case Western Reserve University School of Medicine, USA.
Nissim Benvenisty Azrieli Center for Stem Cells and Genetic Research, Hebrew University, Jerusalem, Israel.
Timothy Caulfield University of Alberta, Canada.
Helen E. Heslop Center for Cell and Gene Therapy at Baylor College of Medicine in Houston, Texas, USA.
Charles E. Murry University of Washington, Seattle, Washington, USA.
Douglas Sipp RIKEN Center for Developmental Biology, Kobe, Japan, and Keio University School of Medicine, Tokyo, Japan.
Lorenz Studer Center for Stem Cell Biology, Memorial Sloan Kettering Cancer Center, USA.
Jeremy Sugarman Berman Institute of Bioethics and Department of Medicine, Johns Hopkins University, Baltimore, Maryland, USA.
George Q. Daley Boston Children's Hospital and Harvard Medical School, Boston, Massachusetts, USA.

Members of the working groups of the International Society for Stem Cell Research's Guidelines Task Force:

Jane Apperley Imperial College School of Medicine, London, UK.
Roger Barker Cambridge Center for Brain Repair, UK.
Paolo Bianco Sapienza University of Rome, Italy.
Annelien Bredenoord University Medical Center Utrecht, Netherlands.
Christopher Breuer Nationwide Children’s Hospital, Columbus, Ohio, USA.
Marcelle Cedars University of California, San Francisco, School of Medicine, USA.
Joyce Frey-Vasconcells Frey-Vasconcells Consulting, Sykesville, Maryland, USA.
Jin Ying Institute of Health Sciences, Shanghai, China.
Richard T. Lee Department of Stem Cell and Regenerative Biology, Harvard University, Cambridge, Massachusetts, USA.
Chris McCabe University of Edmonton, Canada.
Megan Munsie Stem Cells Australia, and University of Melbourne, Australia.
Steven Piantadosi Cedars-Sinai Medical Center, Los Angeles, California, USA.
Mahendra Rao New York Stem Cell Foundation, USA.
Masayo Takahashi RIKEN Center for Developmental Biology, Kobe, Japan.
Mark Zimmerman ViaCyte, San Diego, California, USA.
