New insights into the field of children and adolescents' obesity: the European perspective

C-E Flodmark, I Lissau, LA Moreno, A Pietrobelli and K Widhalm

International Journal of Obesity (2004) **28**, 1612. doi:10.1038/sj.ijo.0802825

Correction to: *International Journal of Obesity* (2004) **28**, 1189–1196. doi:10.1038/sj.ijo.0802787

An error occurs in the second paragraph of the introduction and the correction to the sentence is reproduced below:

In the Lissau *et al* paper, the 95th centiles is mentioned overweight in order to be in accordance with the American norms.
