

## Corrigendum

In the paper '*ALK*, the chromosome 2 gene locus altered by the t(2;5) in non-Hodgkin's lymphoma, encodes a novel neural receptor tyrosine kinase that is highly related to leukocyte tyrosine kinase (LTK)' by Stephan W Morris *et al.*, *Oncogene*, 1997, **14**: 2175–2188, the authorship listing of the manuscript was incorrect. The correct listing should read:

Stephan W Morris<sup>1,2,4</sup>, Clayton Naeve<sup>3</sup>, Prasad Mathew<sup>5</sup>, Mark N Kirstein<sup>1</sup>, Xiaoli Cui<sup>1</sup> and David P Witte<sup>6,7</sup>

The contribution of Dr Payton L James in the reading and critical review of the manuscript prior to its submission should have been noted in the Acknowledgement.
