

Corrigendum

Eur. J. Clin. Nutr. (1997), **51**, 504–509

SG Wharf, TE Fox, SJ Fairweather-Tait and JD Cook

Factors affecting iron stores in infants 4–18 months of age

In the above paper an error occurred in the final paragraph of the results section. The first sentence should read: 'At 4 months, birthweight ($P < 0.001$) and body weight ($P < 0.005$) had a **significant** effect.'
