

British Diary

Monday, September 7

Basic Concepts in Modern Control Theory (five-day vacation school) Institution of Electrical Engineers, at the University of Birmingham.

Control Mechanisms of Growth and Differentiation (five-day symposium) Society for Experimental Biology, in conjunction with the Society for Developmental Biology, at Eliot College, University of Kent, Canterbury, and Wye College (University of London), Wye, Ashford, Kent.

Computational Physics (three-day conference) Institute of Physics and the Physical Society, at Imperial College, London SW7.

Third International Broadcasting Convention (five days) Institution of Electrical Engineers, and the Institution of Electronic and Radio Engineers, at Grosvenor House, London W1.

Tuesday, September 8

Optical Techniques for Investigations in the Upper Atmosphere (three-day conference) Institute of Physics and the Physical Society, at the University of Exeter.

Wednesday, September 9

Second Particle Size Analysis Conference (three days) Society for Analytical Chemistry, at the University of Bradford.

The Degradation of High Polymers (informal discussion) Faraday Society, at the University of Surrey, Guildford, Surrey.

Sunday, September 13

Second International Conference on Raman Spectroscopy (five days) at New College, Oxford.

Monday, September 14

Aerodynamic Noise (four-day symposium) Loughborough University of Technology, in collaboration with the British Acoustical Society, and the Royal Aeronautical Society, in the Edward Herbert Building, University of Technology, Loughborough.

Photoionization Phenomena and Photoelectron Spectroscopy (three-day conference) Institute of Physics and the Physical Society, Atomic and Molecular Physics Sub-Committee, in collaboration with the Theoretical Chemistry Group of the Chemical Society, at the University of Oxford.

The Economics of Ammonia Production (two-day international symposium) Fertiliser Society, at Shell Centre, London SE1.

The Physics of Non-Crystalline Solids (third international conference) at the University of Sheffield.
