ERRATUM

The anticancer plant stress-protein methyl jasmonate induces activation of stress-regulated c-Jun N-terminal kinase and p38 protein kinase in human lymphoid cells

R Rotem, O Fingrut, J Moskovitz and E Flescher

Leukemia (2004) **18**, 374. doi:10.1038/sj.leu.2403279

Correction to: *Leukemia* (2003) **17**, 2230–2234.
doi:10.1038/sj.leu.2403107

Unfortunately, the title of the above paper was reproduced incorrectly in print and online. The correct title is reprinted below:

The anticancer agent methyl jasmonate induces activation of stress-regulated c-Jun N-terminal kinase and p38 protein kinase in human lymphoid cells

Please note that in the Advance Online Publication of the paper on 14 August 2003 the title was published correctly and the error occurs in the print and online publication of the paper in the November 2003 issue of *Leukemia* only.

The Publisher would like to apologise for any inconvenience this may have caused.
