**Correction to:** *Leukemia* (2006) 20, 368–371.  
doi:10.1038/sj.leu.2404068

It has been identified by the authors that there has been an error in the spelling of two of the author names.

FL Coco should have been spelled F Lo Coco.

BV Galletti should have been spelled B Verducci Galletti.

The authors apologize for these errors.
