Since the publication of the above article, the authors have noticed that the Lot number is incorrect on page 1 of the first paragraph.

The correct paragraph is as follows:

Our patient is a 7-month-old Caucasian male without any significant past medical history who was admitted to the University of Kentucky Children's Hospital for leg weakness. He received diphtheria, tetanus, acellular pertussis (DTaP) vaccine (Aventis-Pasteur, Lot U0852AA) 17 days prior to admission.

The authors would like to apologise for this error.
