BIOMOL

| COMPANY | PRODUCTS/ACTIVITY | LOCATION | URL | |
|--|--|---|---|---|
| lon channels and patch | clamping | | | _ |
| Aurora Biomed | Ion Channel Reader (ICR) for voltage- and ligand-gated channels, assay services, cell lines | Vancouver, British Columbia | www.aurorabiomed.com | |
| Aviva Biosciences | $\label{thm:continuous} \textit{Equipment for electrophysiology}, \textit{SEAL Microchips for high-throughput patch-clamp measurements}$ | San Diego, California | www.avivabio.com | |
| Cairn Research | Optopatch amplifier for patch-clamp recording, equipment for microscopy and electrophysiology | Faversham, UK | www.cairmweb.com | |
| Cellectricon | Dynaflow system for ion-channel drug discovery | Göteborg, Sweden | www.cellectricon.com | |
| ChanTest | Detection of intracellular ion-channel trafficking | Cleveland, Ohio | www.chantest.com | |
| Cytomyx | Cell lines and cDNAs for kinases, receptors and ion channels | Cambridge, UK | www.cytomyx.com | |
| flyion | Flyscreen high-throughput patch-clamp system | Tübingen, Germany | www.flyion.com | |
| Invitrogen | Voltage sensor reagents, kits and reagents for genomics, proteomics, and cell biology | Carlsbad, California | www.invitrogen.com | • |
| Molecular Devices | PatchXpress and lonWorks for automated patch clamping, substrate finder for protein kinases | Sunnyvale, California | www.moleculardevices.com | • |
| Multi Channel Systems | Automated equipment for electrophysiology, Xenopus ocyte injection, ion-channel screening | Reutlingen, Germany | www.multichannelsystems.com | |
| Nanion Technologies | Port-a-patch benchtop patch-clamping system for voltage- and ligand-gated ion channels | Munich, Germany | www.nanion.de | |
| PerkinElmer Life Sciences | CellLux Fluorescence Cellular Screening Platform, instruments for cell biology | Boston, Massachusetts, | las.perkinelmer.com | |
| Sophion Bioscience | QPatch 16 for automated patch clamping | Ballerup, Denmark | www.sophion.dk | |
| Cell culture | | | | _ |
| Cambrex | Poietics cell lines, gels, and products for molecular and cell biology research | Walkersville, Maryland | www.cambrex.com | |
| Cyntellect | Cell Express for development of cell lines with high levels of protein secretion | San Diego, California | www.cyntellect.com | |
| bSys | Development of cell lines for ion-channel screening | Basel, Switzerland | www.bsys.ch | |
| Cellular Dynamics | Development of stem-cell derived cell lines for pharmaceutical screening | Madison, Wisconsin | | |
| International | | | | |
| Crucell | Cell lines for the production of recombinant proteins and monoclonal antibodies | Leiden, The Netherlands | www.crucell.com | |
| Cureline | Tissue acquisition services | San Francisco, California | www.cureline.com | |
| Cytogration | Automated high-throughput cell culture systems for in vitro screening | Rockville, Maryland | www.cytogration.com | |
| EUGENEX Biotechnologies | Development of test cell lines | Taegerwilen, Switzerland | www.eugenex.com | |
| Gibco | Cell culture media and consumables | Carlsbad, California | www.invitrogen.com | |
| Integra Biosciences | Equipment and consumables for sterilization, liquid handling, cell culture, sample storage | Baar, Switzerland | www.integra-biosciences.com | |
| Kemp Biotechnologies | Contract services including cell culture and cell banking | Frederick, Maryland | www.kempbiotech.com | • |
| Nano Drop | Small sample spectrophotometry using fibre-optic technology | Wilmington, Delaware | www.nanodrop.com | |
| Paragon Bioservices | Cell culture-based contract production and research services | Baltimore, Maryland | www.paragonbioservices.com | |
| RTS Life Sciences | Automation for sample management, ultra-high-throughput screening and cell culture, and LIMS | Manchester, UK | www.rts-group.com | |
| ScienCell Research Laboratories | Cell lines, including stem-cell lines, media, services | San Diego, California | www.sciencellonline.com | |
| Stem Cell Sciences | Development of stem-cell lines | Edinburgh, UK | www.stemcellsciences.com | |
| StemCell Technologies | Specialized media and cell-separation products for life-sciences research | Vacouver, British Columbia | www.stemcelLcom | |
| Vivascience | Ultrafiltration, protein purification, cell culture | Hannover, Germany | www.vivascience.com | |
| Wave Biotech | Equipment for cell culture, Wave Bioreactor disposable cell culture systems | Bridgewater, New Jersey | www.wavebiotech.com | |
| Xcellsyz | Conditionally immortalized cell lines | Newcastle-on-Tyne, UK | www.xcellsyz.com | |
| Cell biology | | | | — |
| Active Motif | TransAM ELISA kits for transcription factor assays, antibodies, kits and reagents for cell fractionation | Carlshad California | www.activemoti.com | • |
| Advanced Targeting Systems | Targeted toxins, antibodies and custom services for the neurosciences | San Diego, California | www.atsbio.com | _ |
| Applied Bio Physics | Automated cell-monitoring instruments measuring electrical impedance | Troy, New York | www.biophysics.com | • |
| Applied Cytometry Systems | Development and production of integrated cytometry systems | Sheffield, UK | www.appliedcytometry.us | - |
| BD Biosciences | FACS range of flow cytometers, antibody arrays, reagents and biochemicals for molecular biology | Franklin Lakes, New Jersey | www.bd.com | |
| BioFX | Immunoreagents for biomedical research and diagnostics | Owing Mills, Maryland | www.biofx.com | |
| BioGenes | Customized monoclonal and polyclonal antibodies, immunoassays, peptides | Berlin, Germany | www.biogenes.de | • |
| Biospherix | Instrumentation for hypoxia research | Redfield, New York | www.biospherix.com | - |
| Cayman Chemical | Immunoassays, antibodies, proteins, and small biological molecules for cell biology and neurobiology | Ann Arbor, Michigan | www.caymanchem.com | • |
| Eppendorf | Laboratory instrumentation and consumables for molecular and cell biology | Hamburg, Germany | www.eppendorf.com | |
| Harvard Apparatus | Instruments and equipment for electrophysiology and cell biology | Holliston, Massachusetts | www.harvardapparatus.com | |
| G Biosdences | Kits and reagents for proteome analysis, immunotechnology and molecular biology | St Louis, Missouri | www.genotech.com | |
| GenScript | Kits and services for cell biology and molecular biology | Piscataway, New Jersey | www.genscript.com | • |
| | Benchtop cytometers, live cell multi-parameter fluorescence assays | Hayward, California | www.guavatechnologies.com | • |
| Guava Technologies | | | | |
| Milternyi Biotec | Magnetic cell-sorting technology Antibodies kits and magnets for cell biology | Cologne, Germany | www.miltenyibiotec.com | • |
| Trevigen | Antibodies, kits and reagents for cell biology | Gaithersburg, Maryland | www.trevigen.com | • |
| Warner Instruments | Electrophysiology and cell biology equipment and products | Hamden, Connecticut | www.warneronline.com | |
| R&D Systems | Cytokines, interleukins, antibodies, flow cytometry kits,rat neural stem cells | Minneapolis, Minnesota | www.RnDSystems.com | _ |
| Promega | Vectors, reagents and kits for genomics, proteomics and cellular analysis | Madison, Wisconsin | www.promega.com | • |
| | | | | _ |
| Cell signalling | | | | |
| Cell signalling Abcam | Antibodies, products and reagents for neuroscience, cell signaling, nuclear signaling, and | Cambridge, UK | www.abcam.com | |
| | Antibodies, products and reagents for neuroscience, cell signaling, nuclear signaling, and chromatin studies | Cambridge, UK | www.abcam.com | |
| | | Cambridge, UK Lausanne, Switzerland | www.alexis-corp.com | |
| Abcam | chromatin studies | | | |
| Abcam Alexis Biochemicals | chromatin studies Reagents for cell biology, signal transduction, and molecular biology | Lausanne, Switzerland | www.alexis-corp.com | • |
| Abcam Alexis Blochemicals Assay Designs | chromatin studies Reagents for cell biology, signal transduction, and molecular biology MAP kinase ELISAs, Antibody Shop antibodies | Lausanne, Switzerland Ann Arbor, Michigan | www.alexis-corp.com www.assaydesigns.com | • |
| Abcam Alexis Biochemica Is Assay Designs Avanti Polar Lipids | chromatin studies Reagents for cell biology, signal transduction, and molecular biology MAP kinase ELISAs, Antibody Shop antibodies Phospholipids and sphingolipids | Lausanne, Switzerland Ann Arbor, Michigan Alabaster, Alabama | www.alexis-corp.com www.assayde.signs.com www.avantilipids.com | • |
| Abcam Alexis Biochemicals Assay Designs Avanti Polar Lipids BD Biosciences | chromatin studies Reagents for cell biology, signal transduction, and molecular biology MAP kinase ELISAs, Antibody Shop antibodies Phospholipids and sphingolipids Catalogue and custom antibodies, kits for immunoassays | Lausanne, Switzerland Ann Arbor, Michigan Alabaster, Alabama San Diego, California | www.alexis-corp.com www.assayde.signs.com www.avantilipids.com www.bdbiosciences.com | • |

Plymouth Meeting, Pennsylvania www.biomol.com

Biochemicals for life-science research including signal transduction

| COMPANY | PRODUCTS/ACTIVITY | LOCATION | URL | |
|--|---|--|---|---|
| BioSource | Custom peptides, off-the-shelf and customized antibodies for signal transduction research | Camarillo, California | www.biosource.com | _ |
| Calbiochem | Products for signal transduction, protein chemistry and glycobiology | San Diego, California | www.calbiochem.com | |
| Cellomics | ArrayScan and KineticScan systems for automated screening for signal transduction pathways | Pittsburgh, Pennsylvania | www.cellomics.com | |
| Cell Signal ing Technology | Antibodies, proteins and kits for cell-signalling research | Beverly, Massachusetts | www.cellsignal.com | |
| Chemicon | Catalogue and custom mono- and polyclonal antibodies, growth factors and cytokines | Ternecula, California | www.chemicon.com | |
| CIS bio International | HTRF (homogeneous time-resolved fluorescence)/TRACE reagents and kits for FRET assays | Bagnols-sur-Cèze, France | www.htrf-assays.com | |
| cue BIOtech | Minigene vectors for probing receptor-G-protein interactions | Evanston, Illinois | www.cuebiotech.com | |
| DiscoveRx | Cell-based assays for protein kinases and second messengers | Fremont, California | www.discoverx.com | |
| GE Healthcare | Instruments, equipment and products for signal transduction assays and cellular assays | Little Chalfont, UK | www.amersham.co.uk | |
| GloboZymes | Signal transduction enzymes, proteins and antibodies | Carlsbad California | www.globozymes.com | |
| Hypromatrix | AntibodyAnays for signal transduction, cell cycle and apoptosis | Worcester, Massachusetts | www.hypromatrix.com | |
| Intracellular Imaging | Imaging systems for calcium signaling | Cincinnati, Ohio | www.intracellular.com | |
| JPT Peptide Technologies Mabtech | Kinase substrate identification service, peptide substrates Antibodies for cytokine detection | Berlin, Germany Nacka Strand, Sweden | www.jerini.com www.mabtech.comcom | |
| | Enzyme technology, cell-signaling reagents and antibodies | Beverly, Massachusetts | www.neb.com | 1 |
| New England Biolabs OriGene Technologies | Human full-length cDNA clones, including GPCRs, protein kinases, and nuclear hormone receptors | Rockville, Maryland | www.origene.com | |
| Panomics | TranSignal Human Cytokine Antibody Arrays | Redwood City, California | www.panomics.com | • |
| Pepscan Systems | Custom and catalog PepChip kinase substrate peptide arrays for kinase profiling, services | Lelystad, The Netherlands | www.pepscan.com | • |
| ProQina se | Validation of new protein kinases as drug targets, recombinant protein kinases | Freiburg, Germany | www.proginase.com | • |
| Ray Biotech | Cytokine antibody anays | Norcross, Georgia | www.raybiotech.com | • |
| Rockland | Antiboides for cell-signalling reearch, immunochemicals | Gilbertsville, Pennsylvania | www.rockland-inc.com | • |
| Sigma-Aldrich | Reagents for life-sciences research, Panorama antibody arrays for cell-signalling proteins | St Louis, Missouri | www.sigmaaldrich.com | • |
| Stressgen | Reagents and kits for cellular stress, apoptosis, oxidative stress and neurobiology research | Victoria, British Columbia | www.stressgen.com | |
| SuperArray Bioscience | GEArray Signal Transduction Gene Arrays, application-specific cDNA | Frederick, Maryland | www.superarray.com | |
| Tocris Cookson | Chemicals for life-science research, including signal transduction agents | Avonmouth, UK | www.tocris.com | |
| Upstate Group | KinaseProfiler specificity testing, IC50Profiler Express, reagents for cell-signalling research | Charlotte sville, Virginia | www.upstate.com | • |
| | | | | |
| Imaging for cell biolog | у | | | |
| Applied Scientific | Automated systems for microscopy and fluorescence screening | Eugene, Oregon | mos.gn igami ie a.www | |
| Instrumentation | | | | |
| Carl Zeiss | Microscopes, laser-scanning microscopes, fluorescence correlation spectroscopy, confocal imaging | Gottingen, Germany | www.zeiss.com | • |
| Ha mamatsu Photonic Systems | Digital imaging systems and cameras | Hamamatsu City, Japan | www.hamamatsu.com | |
| Intelligent I maging Innovations | Digital microscopy workstations and imaging software | Denver, Colorado | www.intelligent-imaging.com | |
| Kodak | Digital imaging equipment | Rochester, New York | www.kodak.com | |
