Correction to: *British Journal of Cancer* (2004) **91**, 725–731.
doi:10.1038/sj.bjc.6602041

With reference to the above article published in the *British Journal of Cancer*, the authors wish to make the following statement:

Although one of us participated in the work that resulted in the first publication about kallikrein 6/protease M, we were not physically involved in the first cloning of kallikrein 6 cDNA. Nevertheless, this does not have any influence on the conclusions of this article.
