Correction to: *British Journal of Cancer* (2008) **99**, 423–427, doi:10.1038/sj.bjc.6604532

Owing to an error during typesetting, there was a mistake introduced in Duffy's formula in this paper when first published in *British Journal of Cancer* in July 2008.

The formula was contained within the 'Materials and Methods' section and should have appeared, thus:

$$RR_c = \frac{p \cdot \phi \cdot D_r}{1 - (1 - p) \cdot D_r}$$

The publishers are happy to correct this mistake.
