Correction to: *Journal of Perinatology* (2005) **25**, 47–53,
doi:10.1038/jp.7211196

Following publication of the above paper, the author has identified an error in the last sentence of the Results section of the abstract. The sentence should read: “The average cost-effectiveness ratio (CER) of neonatal intensive care for the study group infants was US\$3979 per survivor at 1 year of age (95% confidence interval US\$3411, 5160).”
