CORRIGENDUM

Inhibition of LNCaP prostate tumor growth *in vivo* by an antisense oligonucleotide directed against the human androgen receptor

IE Eder, J Hoffmann, H Rogatsch, G Schäfer, D Zopf, G Bartsch and H Klocker

Cancer Gene Therapy (2007) **14**, 934; doi:10.1038/sj.cgt.7701085

Correction to: *Cancer Gene Therapy* (2002) **9**, 117–125; doi:10.1038/sj.cgt.7700416

The authors have noticed an error in the 'Materials and methods' section, where the sequence of the antisense ODNas750/15 targeting the N-terminal polyglutamine

encoding CAG triplet repeat region was published incorrectly.

The correct sequence is shown below:

5'-CTGCTGCTGCTGCTG-3' instead of 5'-GTCGTCGTCGTCGTC-3'.

The authors would like to apologize for this mistake.
