

**CORRECTION**

In the correspondence in the July 1980 issue of *British Journal of Cancer*, **42**, 207, the penultimate paragraph in the letter from Cercek was inserted after he had seen the reply from Preece *et al.* (p. 209).

**Erratum**

p. 209, 2nd column line 17. For "10%" read "14%".

Line 22 for "0.36%/min" read "either 0.88% or 0.36%/min".
