Erratum

Influence of marital status on survival from colon and rectum cancer in Denmark

C Johansen et al *British Journal of Cancer* 74: 985–988

The following errors have been detected.

The words 'five-year' should be deleted from the summary

The legend in Table 2 should read 'The relative mortality rates (RR) after a diagnosis.'

The legend in Figure 1 is incorrect. The correct figure and legend are reproduced below.

Figure 1 The dotted line shows survival among married patients diagnosed with colon cancer and the full line represents survival among patients never married, divorced or widowed
