Upon publication in early 2011, the authors noted the omission of an Acknowledgments section that they had intended to include. This is now included in full, below. The authors apologise for the original omission.

## ACKNOWLEDGEMENTS

We thank all the members of the Baccharini lab for helpful discussions and apologise to all the colleagues whose work, for reasons of space, could not be cited in this review. The work of the Baccharini lab covered in this review was supported by the European Commission (grants LSH-CT-2006-037731 and LSH-CT-2003-506803) and by the Austrian National Research Fund (grants P19530-B11, WK-01, and SFB 021).
