Correction to: *British Journal of Cancer* (2014) **110**, 501–509. 10.1038/bjc.2013.640

Upon publication of this paper as Advance Online Publication in October 2013, the authors noted the misspelling of the surname of

the third author, J Wagenblast. The correct spelling is now displayed above and has been corrected in the issue version of the paper (this issue).
