

## Erratum

# BET bromodomain inhibitors synergize with ATR inhibitors in melanoma

Somsundar Veppil Muralidharan, Berglind Osk Einarsdottir, Joydeep Bhadury, Mattias F Lindberg, Jin Wu, Eric Campeau, Roger Olofsson Bagge, Ulrika Stierner, Lars Ny, Lisa M Nilsson and Jonas A Nilsson

*Cell Death and Disease* (2017) 8, e3177; doi:10.1038/cddis.2017.557; published online 14 December 2017

**Correction to:** *Cell Death and Disease* (2017) 8, e2982. doi:10.1038/cddis.2017.383; published online 10 August 2017

Since the publication of this article, it has been noted that there was a typo in the title in that, 'in melanoma' appears twice.

The corrected article appears online together with this Erratum.
