

# Annual acknowledgement of manuscript reviewers

*Eye* (2014) 28, 1395–1398; doi:10.1038/eye.2014.266

In this issue, we acknowledge and thank the reviewers who have been active over the past year. We greatly appreciate their tireless and largely unseen work. It is thanks to them that the quality of papers continues to increase.

*Editor: Andrew J Lotery*
