

## Choroid thickness and ocular pulse amplitude in migraine during attack

MS Dervisogullari, Y Totan and OS Gençler

*Eye* (2015) 29, 452; doi:10.1038/eye.2015.4

**Correction to:** *Eye* (2015) 29, 371–375;  
doi: 10.1038/eye.2014.299; published online  
12 December 2014

Since the online publication of this paper,  
the authors have noted that the affiliation of the  
third author was published incorrectly.

The correct department for OS Gençler is  
Neurology Department.

The typesetters would like to apologise  
for any inconvenience caused.

This error has now been rectified, and  
the corrected article appears in this issue.  
The html and online pdf versions have also  
been rectified, and now carry the corrected  
paper.
