

## Announcement

### **Genetics and Evolution of Aquatic Organisms, Bangor, 10–16 September, 1992**

#### *Aims and Scope*

The conference will provide a forum for the exchange of scientific information on the genetics and evolution of aquatic animals and plants. Topics covered will include taxonomy, speciation, karyology, molecular population genetics (allozymes, DNA), clonal reproduction genetics in relation to aquatic pollution and aquaculture.

#### *Keynote Speakers*

Invited speakers include:

E. Zouros (*Greece; Canada*)  
C. Thiriot-Quievreux (*France*),  
E. Gosling (*Ireland*),  
D. O. F. Skibinski (*U.K.*),  
G. R. Carvalho (*U.K.*),  
H. Hummel (*Holland*)

#### *Fees*

The registration fee will be £75.00 (£50.00 for students) and will cover the scientific sessions, coffee, receptions and a copy of the Conference Proceedings. Details of accommodation and other costs can be obtained by contacting Andy Beaumont at the address given below.
