

## Erratum

WILLIAMS, C. L., GOLDSON, S. L., BAIRD, D. B. AND BULLOCK, D. W. (1994). Geographical origin of an introduced insect pest, *Listronotus bonariensis* (Kuschel), determined by RAPD analysis, *Heredity*, 72, 412–419.

An incorrect version of the last sentence of the caption to Fig. 4 (p. 415) was printed, rendering the key to parts inaccurate. The sentence should read;

Population profiles from (a) Ruakura, (b) Uruguay, (c) Wellsford, (d) La Serena.

## Referees

Names of those who refereed papers in 1993 who are not on the Editorial Board:

Dr D Balding (Queen Mary and Westfield College)  
Dr J Bradshaw (Scottish Crop Research Institute)  
Professor P D S Caligari (The University of Reading)  
Dr C Caten (University of Birmingham)  
Professor B Clarke (University of Nottingham)  
Dr P Capy (CNRS, Gif-sur-Yvette)  
Dr L Cook (University of Manchester)  
Dr R Curnow (University of Reading)  
Professor G A Dover (University of Leicester)  
Dr R A Ennos (University of Edinburgh)  
Dr M D Gale (IPSR, Norwich)  
Dr M Grindle (University of Sheffield)  
Dr M Hayward (IGER, Aberystwyth)  
Dr D M Hunt (University of London)  
Professor A Jeffreys (University of Leicester)  
Professor D A Jones (Lower Heyford, Oxon)  
Dr G Jones (University of Birmingham)

Dr I King (University of Reading)  
Dr Mike Lawrence (University of Birmingham)  
Professor J F Leslie (Throckmorton Hall, KS)  
Dr I Lush (University College, London)  
Dr D Lydiate (IPSR, Norwich)  
Dr I Mackay (Lion Seeds Ltd, Haldon)  
Dr M R Macnair (University of Exeter)  
Dr D Marshall (University of Birmingham)  
Dr N Maxted (University of Birmingham)  
Dr G Oxford (University of York)  
Dr W Powell (Scottish Crop Research Institute)  
Dr W S Sheppard (Bee Research Laboratory, MD)  
Dr J Snape (John Innes Institute)  
Dr J Turner (University of Leeds)  
Dr P Virk (University of Birmingham)  
Dr M Whitlock (University of Edinburgh)
