Hypertension Research (2014) **37**, 1088; doi:10.1038/hr.2014.147

Correction to: *Hypertension Research* (2014) **37**, 1042–1049; doi:10.1038/hr.2014.114; published online 3 July 2014

The authors of the above paper noticed an error in publication (AOP). 'Mean (\pm s.e.) change from baseline' scale of Figure 3 was the error. The correct scale is 0, -5, -10, -15 and -20.

The error has now been rectified, and the correct article appears in this issue. The html and online pdf versions have also been rectified.
