Acknowledgments

International Journal of Obesity (2014) **38**, S152–S153; doi:10.1038/ijo.2014.146

We would like to say a big thank you to all colleagues who volunteered as reviewers for this volume of the *International Journal of Obesity*. We would like to acknowledge their special contribution to this joint effort by including their names in the following list of reviewers. Their critical comments and

valuable suggestions helped us so well in improving the quality of the manuscripts. Our thanks also go to two anonymous reviewers.
