

## CORRIGENDUM

# Diversity and abundance of diazotrophic microorganisms in the South China Sea during intermonsoon

Pia H Moisander, Roxanne A Beinart, Maren Voss and Jonathan P Zehr

*The ISME Journal* (2008) **2**, 996; doi:10.1038/ismej.2008.84

**Correction to:** *The ISME Journal* (2008) **2**, 954–967;  
doi:10.1038/ismej.2008.51

The authors of the above noted an error in the footnote to Table 1. The footnote should read: The

three different cyanobacterial symbionts in diatoms are Het-1, *Richelia* (in *Rhizosolenia*), Het-2, *Richelia* (in *Hemiaulus*) and Het-3, *Calothrix* (in *Chaetoceros*).
