NICU lactation consultant increases percentage of outborn versus inborn babies receiving human milk

N Dweck, M Augustine, D Pandya, R Valdes-Greene, P Visintainer and HL Brumberg

Journal of Perinatology (2008) **28**, 316; doi:10.1038/jp.2008.3

Correction to: *Journal of Perinatology* (2008) **28**, 136–140.
doi:10.1038/sj.jp.7211888.

Following the publication of the above paper, the author identified the following error in the text:

In the figure 1 caption, it should read ‘Time 3:1 July 2003 to 30 September (subsequent 3-month time period after IBCLC hire)’ instead of ‘Time 3:1 January 2003 to 30 September (subsequent 3-month time period after IBCLC hire).’
