CORRIGENDUM**Exploring heavy fermions from macroscopic to microscopic length scales***Steffen Wirth and Frank Steglich**Nature Reviews Materials* 1, 16051 (2016)

In the 'Emerging quantum criticality in Kondo lattices' section on page 10, the value of the crystal-field splitting was incorrectly stated as 0.1 eV. The correct value is 0.01 eV. This has been corrected in both the HTML and PDF versions.
