

## CORRIGENDUM

doi:10.1038/nature08887

**Opposing microRNA families regulate self-renewal in mouse embryonic stem cells**

Collin Melton, Robert L. Judson &amp; Robert Blelloch

*Nature* 463, 621–626 (2010)

In Figure 3B of this Article, the labels for the two far right columns were inadvertently swapped. The corrected Figure 3B is shown below.
