Holocene Southern Ocean surface temperature variability west of the Antarctic Peninsula

A. E. Shevenell, A. E. Ingalls, E. W. Domack & C. Kelly

Nature **470**, 250–254 (2011)

On page 3 of the PDF and print version of this Letter, column two, at the end of the fourth paragraph, the last line inadvertently read “occurred between 1,600 and 500 kyr BP”, but this should have said “occurred between 1,600 and 500 years BP”. This has been corrected in the HTML version of the manuscript.
