Nature **489**, 414–418 (2012); doi:10.1038/nature11439

In this Letter, the units of thermal conductivity on the *y*-axes of Fig. 2d and e should be $\text{W m}^{-1} \text{K}^{-1}$ and the *y*-axis label of Fig. 3d should be 'Count (%)'. Figures 2 and 3 of the original paper have been corrected online.
