ERRATUM

doi:10.1038/nature14572

Erratum: No signature of ejecta interaction with a stellar companion in three type Ia supernovae

Rob P. Olling, Richard Mushotzky, Edward J. Shaya, Armin Rest, Peter M. Garnavich, Brad E. Tucker, Daniel Kasen, Steve Margheim & Alexei V. Filippenko

Nature **521**, 332–335 (2015); doi:10.1038/nature14455

Owing to a typesetter error, the final word ‘days’ was missing from the end of the Table 1 footnote in the PDF and print versions (the HTML is correct). The sentence has been corrected in the PDF version to read “All listed times are with respect to maximum light, in rest-frame days.”
