

/ANNOUNCEMENTS

Meetings

Aug. 24-26. University of York international symposium on capillary electrophoresis. York, U.K. Info: T. L. Threlfall. Tel: 44 904 432576. Fax: 44 904 432516.

Aug. 21-25. National meeting of the American Chemical Society. Washington, D.C. Tel: 1 202 872 4451. Fax: 1 202 872 4370.

Sept. 5. Royal Pharmaceutical Society of Great Britain symposium on novel techniques for drug research and development. Loughborough, U.K. Info: J. A. Clements. Tel: 44 71 735 9141. Fax: 44 71 735 7629.

Sept. 7-9. Hipple Cancer Research Center meeting on the polyfunctionality of hemopoietic regulators. Dublin, Ireland. Info: Ann Murphy. Tel: 1 513 293 8508. Fax: 1 513 293 7652.

Sept. 12-13. Institute for International Research conference on clarifying and understanding programmed cell death and apoptosis for the development of novel therapeutic agents. London, U.K. Tel: 44 71 4512 0141. Fax: 44 71 412 0145.

Sept. 12-13. Licensing Executives Society symposium on technology marketing and the commercial implication of expanded European communities interfacing with North America. Arlington, VA. Tel: 1 203 586 7519.

Sept. 12-14. IBC's meeting on designing, managing, and monitoring clinical trials. Philadelphia, PA. Tel: 1 508 481 6400. Fax: 1 508 481 7911.

Sept. 15-17. European Federation of Biotechnology meeting on modeling of filamentous fungi. Otocec,

Slovenia. Info: Marin Berovic. Tel: 386 61 123 2 061. Fax: 386 61 125 7 069.

Courses and workshops

Aug. 15-16. Barnett International seminar on drug development and FDA regulations. Boston, MA. Tel: 1 800 856 2556/1 215 494 6100. Fax: 1 215 859 9031.

Aug. 15-17. American Type Cell Collection course on protein recovery and purification in downstream processing. Rockville, MD. Tel: 1 301 231 5566. Fax: 1 301 770 1805.

Aug. 15-17. Institute of Applied Pharmaceutical Sciences course on current good manufacturing practice for the pharmaceutical and allied industries. Chicago, IL. Tel: 1 908 238 1600. Fax: 1 908 238 9133.

Aug. 15-19. Massachusetts Institute of Technology professional course on fermentation technology. Cambridge, MA. Info: Frederick J. McGarry. Tel: 1 617 253 2101. Fax: 1 617 253 8042.

Aug. 20-25. Summer University of Southern Stockholm course on molecular mechanisms and the environment, mutation, and cancer. Huddinge, Sweden. Info: Bo Lambert. Tel: 46 8 608 9220. Fax: 46 8 608 1501.

Aug. 29-31. Drug Information Association introductory regulatory training course. Philadelphia, PA. Tel: 1 215 628 2288.

Sept. 5-6. University of Hertfordshire laboratory course on microbiology techniques. Hertfordshire, U.K. Info: Virginia Bugeja. Tel: 44 707 284560. Fax: 44 7078 284514.

Sept. 5-8. University of Cambridge meeting on downstream processing and separations of biological molecules. Cambridge, U.K. Info: G. Subramanian. Tel/Fax: 44 227 720819.

Executive changes

AgriDyne Technologies (Salt Lake City, UT) appointed William J. Donwen president and chief executive officer.

Alkermes (Cambridge, MA) appointed Robert A. Breyer president and chief operating officer.

Applied Microbiology (Brooklyn, NY) appointed Peter Blackburn president and chief operating officer.
